CABERNET SAUVIGNON
MUIRHANNA VINEYARD

THE VINTAGE

In 2020 the Napa Valley experienced a warm and dry winter with 50% less rainfall than the normal average, leading to an early budbreak and advanced growing season. This dry spring set the stage for excellent concentration and phenolic development in the berries. Mild weather during flowering led to a healthy fruit set, even though crop yields were a tad less than in 2019. A very warm summer led to full physiological ripeness that showcased intense fruits, but attentive picking decisions retained freshness and verve in the resulting wines.

TASTING NOTES

Like that friend who tells it to you like it is, every time. Very bright red fruits exude from the glass including Bing cherry and raspberry compote. Interlaced are moody notes of damp earth, cardamom and petrichor. The midpalate is generously weighted while a framework of acidity and pixelated tannin define this wine's fresh and flamboyant personality.

PAIRINGS

A balanced red wine perfect for pairing with mushroom risotto, herb crusted rack of lamb, butter chicken, or a margarita pizza.
