

2022 SAUVIGNON BLANC RYAN'S VINEYARD

THE VINTAGE

If there were one word to describe the 2022 vintage, it would be: warm! Like 2021, there was a low amount of rainfall in Napa Valley in 2022. Despite that, the vineyards of Trois Noix experienced remarkably high yields in both white and red varieties, as well as outstanding quality. We credit this to the responsiveness and diligence of our growers. While most of the summer months were moderately warm, a record-breaking heat spell overcame the valley on Labor Day, which lasted for nearly two weeks. Fortunately, we had already picked most of our fruit by then, which locked in the acidity and nuance that we love in our wines.

TASTING NOTES

Produced from the organically farmed Ryan's Vineyard in the Oak Knoll District, this blend of Sauvignon Musque and Sauvignon Blanc is truly a site-driven wine. An ever-evolving nose of carnations, pink lemon, and candied lychee share the glass with more savory notes of chive flower and brackish sea breeze. Taut and energized, the midpalate is briny and finishes with precision.

PAIRINGS

Sushi and sashimi, herb-marinated grilled chicken, bruschetta with tomato and basil.
