

2023 ROSÉ KAJITA VINEYARD

THE VINTAGE

The 2023 vintage was one of the longest growing seasons that Napa Valley has experienced in a decade – and one of the finest. After several years of drought, the winter and spring months brought ample rainfall which replenished our vineyards' soils. Cooler spring temperatures delayed budbreak and bloom, but the summer months were consistently warm and temperate without heat spikes. This confluence of excellent growing conditions allowed for slow phenolic development in the berries, retention of acidity, as well as remarkably ripe tannins by harvest time. The wines from this vintage are highly concentrated with incredible plushness and verve.

TASTING NOTES

The 2023 Kajita Vineyard Rosé of Pinot Noir is an opportune welcoming to the spring season. Electric and racy, this wine screams to be drunk poolside or while adventuring outdoors. The bouquet is bright and alive with notes of fresh strawberry, hibiscus, and slate-like minerality. On the palate is a mouthwatering core of briny acidity, interlaced with concentrated red fruits and violet-like florals. Try to put it down!
